Nutraceuticals *Connect, Discover, Innovate, Thrive*

02-05 AUGUST 2025

AT INDIA EXPO CENTRE & MART, GREATER NOIDA

INDIA EXPOSITION MART LIMITED

Plot No. 23/25, 27/29, Knowledge Park II, Greater Noida, Uttar Pradesh 201306

Phone No: 0120 232 8011 | Email: ayuryog@indiaexpocentre.com | Web: ayuryogexpo.com

Introduction:

The global nutraceutical industry is experiencing an unprecedented surge, driven by consumer demand for preventive healthcare, functional foods, and holistic wellness solutions. At the intersection of modern nutrition and ancient wisdom, Ayuryog Expo—India's premier platform for Ayush & Wellness industry provides the perfect setting for a dedicated Nutraceuticals Exhibition. India is not just a consumer market for nutraceuticals; it is a powerhouse of natural ingredients, traditional remedies, and scientific research. By integrating a nutraceuticals exhibition within Ayuryog Expo at India Expo Centre & Mart from 02-05 August 2025, we create a 360-degree health and wellness platform that brings together ancient wisdom and modern science. This exhibition will bridge the gap between traditional and functional nutrition – showcasing products that integrate traditional medicine system with cutting-edge nutraceutical advancements. This exhibition will strengthen India's Position in the Global Nutraceutical Market – bringing together manufacturers, raw material suppliers, researchers, and policymakers. Also, this will drive B2B Growth & Innovation – providing a networking hub for food scientists, healthcare professionals, and industry leaders. It will address Regulatory and Market Trends – educating stakeholders on FSSAI guidelines, global compliance, and market entry strategies.

The Nutraceuticals Exhibition at Ayuryog Expo is not just another trade show; it is a strategic initiative to redefine health and wellness by integrating nature, science, and business. This event will establish India as a global leader in functional nutrition and preventive healthcare—a crucial step towards a healthier, more sustainable future.
